BorgWarner is a company of inventors - freethinkers who share a common passion for the latest vehicle technology, who enjoy working in a rapidly evolving, collaborative environment and who want to play a key role in transforming the transportation landscape.

BorgWarner Europe GmbH is the European Holding entity of BorgWarner providing shared services to BorgWarner locations across Europe. To support our European M&A/Strategy department in Mannheim, we are looking for a:

**Working Student (m/f/d) 
M&A / Strategic Planning**

(20 hours/week)

**Tasks/responsibilities**

- Assistance in mergers and acquisition transactions, especially in financial modelling/valuations and due diligence of potential targets and joint ventures
- Performing financial and strategic business analysis, valuations and industry research
- Assist in the preparation of presentations for the top management
- Support at various strategic projects and presentations

**Qualifications/required skills**

- Student in business administration, economics or related areas
- Work experience (intern/work student) in Investment Banking, Consulting or Corporate Finance Advisory would be of advantage
- Ability to work independently as well as in a team and under pressure
- Proficiency in written and spoken English
- Competent handling of MS Office applications (in particular Excel and PowerPoint)
- Strong analytical, communication and organizational skills
- Flexibility

**What we offer**

- Responsible and diverse tasks from day one
- Future-oriented projects in one of the most rapidly changing industries
- International work environment
- Attractive compensation
