Web Developer Student Assistant Job

(up to 10 hours/month)

The Institute for Enterprise Systems (https://www.uni-mannheim.de/ines/) at the University of Mannheim combines the transfer of interdisciplinary basic research with industrial research and development projects.

We are currently looking for a student to maintain and update the InES website.

Your tasks will be:

- Update the website with new information
- Restructure some parts of the website in cooperation with the marketing department
- Write short announcements and news articles based on given information

Therefore, we require a strong interest in (and ideally also prior experience with):

- Web development
- Typo3
- Sense of aesthetics

Have we aroused your interest?

Apply with your resume, your current transcript of records by email to marton@es.uni-mannheim.de.
