The ZEW – Leibniz Centre for European Economic Research invites applications for the position as a

Student Assistant (f/m/d) at the "Pensions and Sustainable Financial Markets" Department

WE OFFER
» Participation in current research projects in the research area
» Preparation and analyses of microeconomic data sets
» Insights into empirical economic research
» Independent work in an attractive academic environment
» Flexible and exam-friendly division of working hours

YOUR PROFILE
» Enrolled in a Bachelor’s or Master’s program in economics (VWL), business administration (BWL), business informatics, economics and business education, sociology or political science, or comparable disciplines
» Interest in topics related to household finance, e.g. (long-term) financial decisions, pension systems, and the role of financial education and information
» Very good IT skills (MS Office and Excel)
» Knowledge of econometric software (e.g. Stata) is an advantage
» Very good language skills (German and English)
» Reliability, diligence, commitment
» Interest in a medium-term work accompanying your studies

IF INTERESTED, please upload your application (motivation letter, CV, a current transcript of records, and your enrollment certificate) via the online application form on our website.
