A Chatbot for Study Advice
Questions include, but are not limited to...

- How can I transfer credits from another study program?
- Where and when do I have to register for a thesis?
- Can I also attend two seminars?
- Can I also do a thesis together with a company?

Your Tasks & Challenges

• **Overall goal:** Develop a chatbot for study advice

• Look at chatbot frameworks

• Feed them with specific documents

• Make sure advice is reliable
  • e.g., provides sources

• Evaluate quality
  • e.g., based on existing (anonymized) requests
  • in English and German
